

High Desert Cruisers

OFF HIGHWAY DRIVING DISCLOSURE STATEMENT

"I understand that off-highway driving, or four-wheeling, may include significant risks to both persons and property. As an off-highway driver, I understand that I am responsible for my vehicle and its occupants, and I have informed my passengers of the risks and responsibilities associated with this activity.

If my vehicle becomes stuck and is in need of assistance, I understand that I or others may volunteer to assist and that these volunteers are acting as "Good Samaritans" with the vehicle recovery, with no guarantee of either success or nondamage. In this case I may decline volunteer aid and seek professional assistance to recover the vehicle.

I agree that I will not hold members of High Desert Cruisers or their guests responsible for damage, breakage or injuries that occur during four-wheeling, vehicle recovery, or associated activities."
